

# THE #1 CHOICE FOR **LIVE** NEWS & DYNAMIC SPORTS COVERAGE

## ABOUT LIVEU

LiveU is changing the rules of the game for live news and dynamic sports coverage, with flawless **5G 4K HEVC** live streaming and remote production. Together with its cloud-based management and next-gen IP distribution platforms, LiveU offers the most cost-effective, end-to-end contribution, production and distribution solution.

The inventor of cellular bonding, LiveU is synonymous with **high-quality live video solutions**, transmitted from anywhere in the world. Our broad portfolio of products sets the industry standard for live video production ranging from our newest, portable production-level field units and smartphone app to satellite/cellular hybrid and external antenna solutions.

With **over 3,000 customers in 130+ countries**, LiveU's technology is the solution of choice for global broadcasters, news agencies, sports and entertainment, streaming live video to TV, mobile, online and social media.
